Introducing OVM's Legacy Foundation - our charitable organization designed to increase the impact the OVM family makes on the communities we serve.

At OVM, we believe in hard work, customer service, and giving back to our community. Our commitment to these values gained momentum in 2014 when Chip Simkins III, one of our founders, introduced the Pick-a-Charity Event. It wasn't your usual fundraiser—it was a purposeful gathering where everyone contributed by writing a check to their chosen charity. What began as a simple idea soon became an eagerly anticipated annual tradition for us all.

In recent years, OVM faced heartache with the loss of three remarkable team members to cancer. Their courage and resilience in their battles inspired us deeply. Their legacies continue to shape our mission. It was in their honor and memory that we decided to establish the OVM Legacy Foundation. This foundation isn't just about remembering them; it's about celebrating their lives and the memories of all our cherished colleagues who have passed away over the years.

Creating the OVM Legacy Foundation has been a deeply personal journey for us—a way to give back in a meaningful manner that reflects our values of compassion and community. It goes beyond financial support; it's about actively making a positive impact and preserving the spirit of our lost friends within our company.

The OVM Legacy Foundation embodies their mission to make our community a better place. We're dedicated to creating lasting change and celebrating their lives through acts of kindness, resilience, and service. Together, we'll ensure their legacies endure, inspiring others to live with the same boldness and generosity they exemplified.

We invite you to join us in honoring their lives and carrying forward their legacy of compassion and joy. Together, we can make a difference that resonates far beyond our organization and into the broader community we are privileged to serve.

These initiatives at OVM unify us as a team and reinforce our commitment to making a positive and lasting impact, both within our company and throughout our community.

Contact Megan Evert at 757-755-6780 or mevert@annie-mac.com with any questions about the upcoming Annual OVM Charity Bash.
